TREK FABRICS & EXTERIOR COLORS

DECOR CHOICES THAT ARE ANYTHING BUT ORDINARY.

Safari coaches are designed for those who see things a bit differently than most people. So when it comes to decor choices, we go beyond the ordinary to offer striking graphics, bold colors and innovative patterns. The result is a look that stands out from the crowd while maintaining a definitive sense of style. Just like you.

OUTBACK LODGE

LATIN BEAT

HARDWOODS OR SOFT FABRICS — THEY'RE BOTH MADE TO LAST.

One of the hallmarks of the 2007 Trek is its beautiful hardwood cabinets. With heavy-duty ball bearing drawer guides and wood cabinet drawer boxes, these cabinets are built to last. And their raised panels and antique brass hardware ensure that they look good for years, too. The Trek's fabrics feature stain protection that's manufactured in, not added on. Soil repellent is applied during the finishing process for superior coverage and better stain protection.

Water Heater	6	6	6
Gray Tank	40	40	40
Black Tank	40	40	40
Fresh Tank	60	60	60
LP Tank ***	24	24	24

* Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.

** All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

*** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Safari provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Safari dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Safari models. Safari, the Safari logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.

SIDE-HINGED BAGGAGE DOORS

Our ingenious side-hinged baggage doors are easy to open.

Plus with greater visibility and access, they make finding and retrieving items easy, too.
