TREK SPORT

2002

FEAST YOUR EYES ON THE UNIQUE NEW TREK SPORT

This all-new compact motorhome has maximum livability, maximum maneuverability, and maximum value. This innovative Safari coach presents a fresh way to get the best of all worlds. Trek Sport offers you the famous Electro-Majic™ bed – available exclusively from Safari. Combine this with the Workhorse Wide Track chassis and a storage capacity that is unbeatable and you'll be traveling in the coach of your dreams for far less than you'd expect.

Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit may differ. Safari provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Safari dealer for unit availability and further information.

The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design, material or component specifications as its sole option, without notice. This includes the substitution

of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floor plans. Photographs may show props or decorations that are not standard equipment on Safari. Safari, the Safari logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders.

While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable

depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order.

Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed load exceeds 1,000 lbs.

As the proud owner of your new Trek Sport by Safari, you will be invited to join Safari International. A chapter of FMCA, the Safari club is a gathering of enthusiasts of Safari, enjoying each other and the travel lifestyle they have found.

Discover magnificent rallies, caravans, and other events throughout the year, as well as updates on what's new with Safari. Share the joy of the RV lifestyle with friends, and it will become more rewarding each and every day.
