

HOLIDAY RAMBLER ✧ 2004 TRAVELER

REDISCOVER AMERICA.

## OUR 50TH ANNIVERSARY.

WHAT BETTER TIME TO RENEW OUR  
VOWS TO THE OPEN ROAD.

IT'S KIND OF AMAZING WHEN YOU THINK ABOUT IT. FIFTY YEARS HAVE GONE BY SINCE WE ROLLED OUT OUR FIRST TRAVEL TRAILER. AND BACK IN 1953, WE BUILT THEM ONE BY ONE IN A GARAGE IN THE HEARTLAND OF INDIANA. BUT EVEN THEN, WE KNEW WE WERE PIONEERING A NEW WAY OF TRAVEL. ONE WHERE THE WHOLE FAMILY COULD EXPERIENCE THIS GREAT COUNTRY OF OURS. AND ONE WHERE THE PEOPLE YOU MET WERE AS MEMORABLE AS THE PLACES YOU VISITED.

THROUGHOUT OUR HISTORY, WE'VE LED THE INDUSTRY IN PERFECTING THE RV LIFESTYLE, WITH COUNTLESS REVOLUTIONARY FEATURES, FROM ALUMINUM FRAMES AND FLAT-FLOOR SLIDE-OUTS TO TRIPLE-SLIDE FLOORPLANS AND BATH-AND-A-HALF MODELS. AND NOW, FROM TOWABLES TO LUXURY MOTORCOACHES, THERE'S A HOLIDAY RAMBLER THAT'S RIGHT FOR YOUR FAMILY.

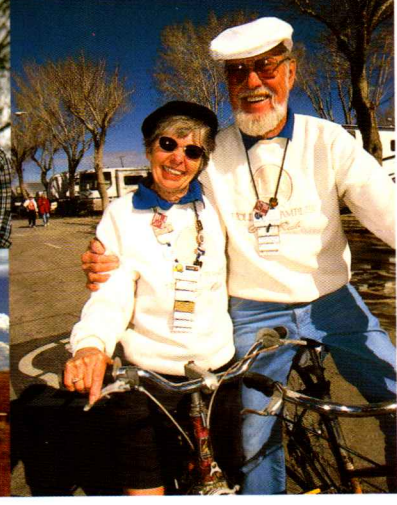

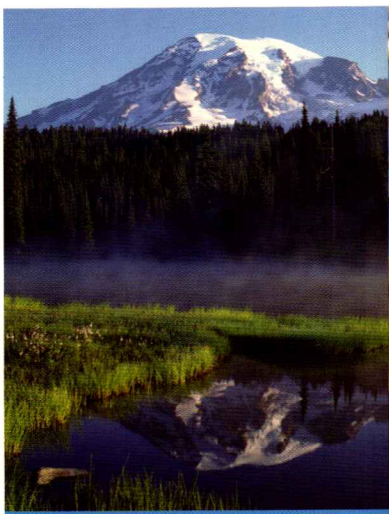

SO HERE'S TO CELEBRATING FIFTY YEARS ON NORTH AMERICA'S GREAT ROADWAYS. AND HERE'S TO THE PROMISE OF MANY MORE.

This beauty is a Holiday Rambler travel trailer from 1954. Sure we've come a long way since then, but our products are still the same labor of love this one was. If you'd like a closer look, you're welcome to see it on display at the RV Hall of Fame in Elkhart, Indiana.

# *M*ET THE CLEVEREST COACH ON THE ROAD.

The Traveler features both single and double slide-out models, giving you more space than you ever thought possible. It comes standard with a topper slide-out awning on the 29RBD, 30PBS and 31SBD and offers a variety of other optional awnings.

#### KITCHEN AND ISLAND:

The kitchen area features a full complement of high-quality appliances and — depending on the floorplan you choose — a wide variety of handy details, including a pantry with adjustable shelves, a countertop extension, and overhead cabinets with an adjustable shelf. Other highlights include an attractive laminate countertop, a stainless steel sink with single-lever chrome faucet, and a separate faucet for filtered water.

The 29RBD and 31SBD floorplans give you the option of this remarkable kitchen island, for added workspace and storage area.

#### PLANK FLOORING:

Beautiful Wilsonart® plank flooring comes standard on the 29RBD and 31SBD floorplans, in the kitchen, bathroom and entryway.

**A ELECTRO-MAJIC™ BED:**

At the touch of a button, our exclusive Electro-Majic™ bed lowers from the ceiling into place. You'll enjoy a comfortable mattress and cozy sleepsac, and you'll have the convenience of a ladder. This efficient solution to maximizing your living space has to be seen to be fully appreciated, and it makes the Traveler truly one of the most versatile coaches on the road.

**B BATHROOM:**

The bathroom features a one-piece fiberglass shower with obscure glass door and brass finished frame and fixtures. We've added a new light in the shower with its own switch, and you'll find plenty of room for your essentials in the medicine cabinet with adjustable shelves.

The newly styled automotive dash features a Roman bronze instrument panel and two-tone vinyl. A rear vision system with audio provides added safety, and you'll enjoy numerous conveniences, including a front privacy drape with tie backs, a center console with snack tray, and co-pilot side cup holders with magazine rack. Power sunvisors, pull-down side sun shades, a driver's side door and a 10-disc CD player all make attractive options.

#### C COCKPIT SEATS:

The plush cockpit seats feature either fabric or optional soft touch vinyl coverings. A six-way power pilot seat comes standard, and you may choose an optional six-way power co-pilot seat, as well.

#### D DASH WORKSTATION:

This dash workstation gives the co-pilot a great surface for reading, writing or using a laptop computer.

THE SMALLER COACH WITH  
A GREAT BIG HEART. ✨

THE TRAVELER MAKES A GREAT FIRST IMPRESSION THANKS TO ITS NEW MOLDED FIBERGLASS FRONT CAP WITH INTEGRATED BUMPER AND NEWLY STYLED HEADLIGHTS WITH TURN SIGNALS. OTHER EXTERIOR DETAILS INCLUDE SMOOTH ALUMINUM SIDEWALLS AND A PAINTED MASK AND SKIRT WITH VINYL GRAPHICS.

# TRAVELER CONSTRUCTION

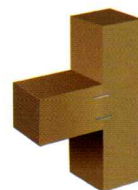

## ALUMAFRAME® CONSTRUCTION SINCE 1966:

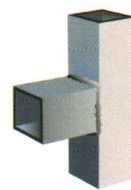

The Traveler features Holiday Rambler's exclusive Alumaframe® Superstructure. Our revolutionary system of aluminum C-Channel crossmembers runs the entire length of the unit, with double-welded intersections for added strength. This rigid design is both lighter and sturdier than wood or tubular aluminum frames — and much more reliable than butt-welded or screwed joint designs. From dirt roads to pot holes, you can count on Alumaframe® to handle the relentless stresses of the road and provide superior structural integrity for many years to come.
